## KĀKĀPŌ DISTILLERY

Welcome to Kakapo Distillery, where we pride ourselves on creating artisan, micro-batch gin using native New Zealand botanicals. Our commitment to quality and sustainability is evident in every bottle we produce. By using native Aotearoa, New Zealand botanicals, we not only capture the essence of our beautiful country, but also support the Kakapo with minimal impact on the earth.

**COPPER  
STILL**

## COPPER STILL

Our bourbon is made from Sweet Indiana Corn and a hint of spicy rye to give a perfect balance of sweetness and spice. The nose begins with a hint of vanilla and oranges which gives way to flavors of toffee, caramel, and chocolate with a silky smooth finish.

## SOUTHWARD DISTILLING

At Southward Distilling our story follows unconventional lines of adventure, love and a bit of crazy dreaming.

We don't do things the way they've always been done. We break the rules, blend bold flavours, and create spirits that stand out in a sea of sameness.
